TIER B is our partially subsidized fee for those who can pay a little more but still cannot afford the actual cost of camp.

TIER C accounts for the true costs of camp including wear and tear of buildings and grounds.

CAMP DESCRIPTIONS

MYSTIC EXPERIENCE

MYSTIC EXPERIENCE (Ages 6-15) The Mystic Experience program is where your child's camping traditions begin and continue year after year! Campers are placed in their cabin groups with children in the same age range and enjoy age-appropriate activities such as swimming, boating, archery, and crafts. Each child will have the opportunity to make great friends, learn new skills, meet positive role models, and leave our program with a higher level of confidence, maturity, and understanding of our four core values – honesty, caring, respect, and responsibility.

Sessions Offered: 1, 2, 3, 4, 5, 6, 7

TWO WEEK MYSTIC EXPERIENCE (Ages 6-15) For some campers, one week just isn't enough! Campers registered for our two-week Mystic Experience will remain on camp over the weekend between their two registered sessions and participate in camp activities. Campers are placed in their cabin groups with children in the same age range and enjoy age-appropriate activities such as swimming, boating, archery, and crafts. Each child will have the opportunity to make great friends, learn new skills, meet positive role models, and leave our program with a higher level of confidence, maturity, and understanding of our four core values – honesty, caring, respect, and responsibility.

Session Offered: 1&2, 3&4, 5&6

TEEN AND LEADERSHIP

TEEN NATION (Ages 14-16) This coed teen camp has been created to give teens a place to make new friends, try new activities, and have opportunities for overall growth while staying active outdoors with campers their own age. Campers follow the same basic schedule as Mystic Experience while having the opportunity to assist in completing their schedule with activities tailored to older campers such as Bruno's Swing and the high ropes course.

Sessions Offered: 5, 6, 7

LEADERS IN TRAINING (Ages 15-16) Our two-week Leader In Training (LIT) program will introduce teens to the dynamics of leadership and teamwork. LITs will focus on small-group facilitation skills, leadership styles, communication skills, and the YMCA four core values of caring, respect, responsibility, and honesty. LITs will have opportunities to practice their new leadership skills by leading activities within their group and the camp community. LITs will stay on camp over the weekend of their two-week program.

Session Offered: 3&4

COUNSELOR IN TRAINING (Ages 16-17) Our two-week Counselor In Training (CIT) program provides a unique learning opportunity for campers who aspire to become camp counselors or future leaders. CITs will focus on communication skills, coaching and encouraging others, leading activities, and expectations of them as future leaders. CITs will stay on camp over the weekend of their two-week program. CITs that successfully complete the two weeks of the program will be invited back to do a live-in week later in the summer to practice their new skills as they shadow and assist counselors with an assigned cabin group.

Session Offered: 1&2

SPECIALITY

GONE FISHING (Ages 12-14) Anglers will spend their morning, afternoons, and evenings fishing in Mystic Lake. Campers will learn about different species of fish, strategies to get the biggest catch and take a half-day charter on Lake Michigan to hook giant salmon, steelhead, and lake trout. Campers will also enjoy traditional activities and will get to fry up some of their catch, while also bringing some home if they have success on their charter. This is one of our most popular programs, and space is very limited. Register early.

Session Offered: 2

WRITE ON! CREATIVE WRITING CAMP (Ages 10-12)

Let your imagination run wild and the words flow! Sharpen your creative writing skills as you learn about writing hooks that catch your readers' attention, creating believable characters and settings to keep them reading, using dialogue to move your story along, and dynamic endings that will make them eager to read more. Publish your work and share with your cabin mates!

Session Offered: 5

CAMP STARLIGHT (Ages 7-16) Camp Starlight is presented in collaboration with the Michigan Dyslexia Institute (MDI) for children with dyslexia. Camp Starlight campers get to participate in traditional camp activities, but with a unique twist. Children with dyslexia have the opportunity to connect in a positive, safe environment, while they experience highly engaging and informative interactive activities that expand their understanding and acceptance of being dyslexic. Many campers return year after year and develop lifelong friendships. An experienced staff, special speakers, fun and educational programs, and a beautiful location are the ingredients for an outstanding week at Camp Starlight. The MDI staff will carry out this program with the assistance of the Mystic Lake camp staff.
