WATERFRONT COORDINATOR

At Mystic Lake YMCA Camp, our goals are to teach youth social responsibility through environmental stewardship, community living, and working with one another in a group setting that builds friendships. Youth develop and learn new skills to improve their sense of self-worth and confidence in an accepting environment where all are welcome.

GENERAL FUNCTION

Under the supervision of the Program Director, the Waterfront Coordinator is responsible for the supervision of all swimming, boating, and activities on the waterfront. The Waterfront Coordinator is also responsible for checking certifications and reviewing water safety procedures with all staff leading aquatics-related activities off Mystic Lake Camp property. Furthermore, the Waterfront Coordinator is responsible for planning, implementing, training, and evaluating all activities and staff regarding camp waterfront programs.

TRAINING AND EXPERIENCE

Staff must be at least 21 years of age with a current Red Cross WSI and/or Lifeguarding certificate or equivalent training accepted by the State of Michigan Camp Licensing/Bureau of Consumer Industries. Valid CPR and First Aid certifications are also required. Experience as a waterfront lifeguard or swimming class instructor preferred. Knowledge of paddle sports is highly desirable.

POSITION RESPONSIBILITIES

1. Conduct a safety inspection of the waterfront area before the opening of summer camp and submit a risk management report to the Program Director, including notes on hazardous conditions which need correction
2. Inspect the waterfront areas before the opening of summer camp to verify that all safety equipment is prepared and ready, such as backboards, first aid kits, buddy boards, rescue rings, and signal equipment
3. Review waterfront emergency procedures, update, and distribute to all camp staff during staff training
4. Review and post all waterfront rules
5. Attend lifeguard training to observe and evaluate lifeguard skills
6. Attend staff training and teach waterfront safety and rescue procedures to all staff
7. Administer swimming tests and rescue sessions for all program staff
8. Review emergency communication systems at the waterfront and train staff in their use
9. Check and test the operation of the emergency rescue system weekly, including waterfront search
10. Conduct weekly lifeguard in-service trainings
